Dear Sir:

The UPDATED Official Filing Receipt mailed September 4, 2001 is incorrect. The correct filing date is the original filing date, May 10, 2001. Issuance of a corrected filing receipt is therefore requested.

It is respectfully submitted that the filing date was reset from May 10, 2001 to September 4, 2001 by the OIPE in error. Support for Applicant's position is as follows:

1. The present application was originally filed on May 10, 2001. See the Applicant's postcard receipt, Exhibit 1.
2. An Official Filing Receipt was mailed on July 10, 2001. This receipt was and is correct in all respects. See Exhibit 2.
3. A Notice of Omitted Items was mailed on July 10, 2001, indicating that Page 1 of the filed application was missing. See Exhibit 3.
4. The Notice of Omitted Items stated that the Applicant had a choice between options I, II, or III. If option III was chosen, the original filing date **would be retained** and a preliminary

Amendment was required to be submitted before the first Office Action to renumber the pages of the application.

5. Applicants submitted a Preliminary Amendment on July 19, 2001, by express mail in accordance with the requirements of Option III. See Applicant's postcard receipt, Exhibit 4.

6. Applicants submitted, on September 4, 2001, a letter transmitting a copy of the previously submitted Preliminary Amendment along with a copy of the Notice of Omitted Items which had been omitted from the Preliminary Amendment transmittal. See Exhibit 5.

7. An updated Filing Receipt was mailed on October 16, 2001 **erroneously** indicating the filing date as September 4, 2001. See Exhibit 6.

Since the Preliminary Amendment was mailed before the first Office Action, and renumbered the pages as required in the Notice, the correct filing date is May 10, 2001 and a corrected Filing Receipt is required and respectfully requested.

NOTICE OF OMITTED ITEM(S) IN A NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

A filing date has been accorded to the above-identified nonprovisional application papers; however, the following item(s) appear to have been omitted from the application:

- Page(s) 1 of the specification (description and claims).

RECEIVED

OCT 22 2002

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition for a **\$130.00** petition fee (37 CFR 1.17(h)) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h)) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) or (b)**. In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (*i.e.*, the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.

*A copy of this notice **MUST** be returned with the reply.*

A handwritten signature in black ink, appearing to read "M. S. K.", is written over a horizontal line.
